

# Cosmos: The Holographic Conscious Universe

# States of Consciousness

*Applies to ALL conscious sentient beings – human/ET/other dimensions.*

- Waking
- Sleeping
- Dreaming
  - Lucid dreams
  - Lucid precognition
- Meditation: unbounded pure consciousness

## Higher states of consciousness

- Cosmic Consciousness
  - Pure consciousness while waking / dreaming / sleeping
- God Consciousness – Celestial perception
  - Pure consciousness while waking / dreaming / sleeping
- Unity Consciousness
  - All that exists directly perceived as pure consciousness
- Brahmin – Universal Consciousness
  - Experience of the entire Cosmos as One with self – operatively

# Innate Siddhis / Human and ET Potential (1 of 2)

+ *Correlation to ET Technologies via Trans-Dimensional Interstellar Technologies (TDIS)*

<b>Remote Viewing</b>	Technology Assisted Consciousness (TAC) communication systems; technological remote viewing
<b>Precognition/ Lucid dreams of future</b>	TAC (e.g. operation "Red Light")
<b>Levitation</b>	Electro magnetic-gravitic ("anti-gravity") Consciousness Assisted Technologies (CAT)
<b>Teleportation</b>	Teleportation of ET craft / beings across space / time

# Innate Siddhis / Human and ET Potential (2 of 2)

+ *Correlation to ET Technologies via Trans-Dimensional Interstellar Technologies (TDIS)*

<b>Dematerialization/Re-materialization</b>	Via TDIS
<b>Manifestation of Objects</b>	ET manufacturing technologies via CAT and TDIS science
<b>Bi-location/Tri-location</b>	Via TDIS
<b>Remote Healing Events</b> <i>(Consciousness, prayer, etc.)</i>	TDIS Medical Technology / CAT / TAC / non-local resonant field, etc.

# Levels of Civilization (1 of 4)

+ *Correlation to Collective Levels of Consciousness*

0

## Current Human Civilizations

- Disunity / War / Primitive environmental technologies etc.
- Extinction level events

1

## Global Peaceful Civilization

- "Peaceful" Life supporting technologies (e.g. Zero Point Energy)

2

## Permanent Peace

- Development of Trans-dimensional technologies used only for peaceful purposes (travel / healing / etc.)
- Pursuit of science of consciousness

# Levels of Civilization (2 of 4)

+ Correlation to Collective Levels of Consciousness

3

## Inter-stellar Civilizations

- Cleared for travel to other star systems
- Development of widespread establishment of science of consciousness
- Pursuit of higher states of consciousness
- Early integration into other inter-stellar civilizations

4

## Cosmic Consciousness Civilization (> 1%)

- Senior ambassadors are “enlightened” in cosmic consciousness
- Contact with other advanced civilizations
- Providing guidance to emerging civilizations, etc.

5

## Cosmic Consciousness Civilization (*everyone from birth*)

- Enlightenment
- Widespread and accelerated experience of innate siddhis
- Technologies parallel states of consciousness

PART OF SENIOR INTER-STELLAR COLLECTIVE

# Levels of Civilization (3 of 4)

+ *Correlation to Collective Levels of Consciousness*

6

●  
**Celestial / God  
Consciousness (> 1%)**

- Physical world takes on qualities of Celestial Realm

7

●  
**Celestial / God  
Consciousness (*everyone  
from birth*)**

- Civilization correlates to Celestial Realm

8

●  
**Unity Consciousness  
(>1%)**

**All technologies interface  
with innate siddhis and  
appear as “celestial”**

# Levels of Civilization (4 of 4)

+ *Correlation to Collective Levels of Consciousness*

9

Unity Consciousness  
(everyone from birth)

10

Brahmin / Universal  
Consciousness State  
(everyone)

And continues...

Brahmin / Universal  
Consciousness State (> 1%)

- Ambassadors and guardians of other worlds
